

DIAL Accident and Incident Annual Statistics

Certain incidents are Reportable to the Health and Safety Executive (HSE) under the ‘Reporting of Injuries, Diseases and Dangerous Occurrences Regulations’, (RIDDOR). Further details on reportable incidents are available online from the HSE:

Every year, DIAL add to the Annual Accident and Incident statistics and a report is produced by our independent H&S adviser Mr John Bradstreet.

Listed below are the yearly statistics for all accidents and incidents recorded;-

Year 2004; -

Incident Type	Number Recorded
Minor incidents – non-reportable (specified) –	0
Major Injuries (specified) -	0
Accidents resulting in > 7 days absence from work	0
Reportable disease	0
Reportable dangerous occurrence	0
Near Miss	0
Total incidents recorded	0

Year 2005; -

Incident Type	Number Recorded
Minor incidents – non-reportable (specified) –	0
Major Injuries (specified) -	0
Accidents resulting in > 7 days absence from work	0
Reportable disease	0
Reportable dangerous occurrence	0
Near Miss	0

Total incidents recorded	0
--------------------------	---

Year 2006; -

Incident Type	Number Recorded
Minor incidents – non-reportable (specified) – Minor incidents – non-reportable (specified) – Cut finger – plaster and small bandage fitted by DIAL first aider - wrong cut level glove PPE being worn– TBT and further training given - monitored and no further action required	1
Major Injuries (specified) -	0
Accidents resulting in > 7 days absence from work	0
Reportable disease	0
Reportable dangerous occurrence	0
Near Miss	0
Total incidents recorded	1

Year 2007; -

Incident Type	Number Recorded
Minor incidents – non-reportable (specified) –	0
Major Injuries (specified) -	0
Accidents resulting in > 7 days absence from work	0
Reportable disease	0
Reportable dangerous occurrence	0
Near Miss	0
Total incidents recorded	0

Year 2008; -

Incident Type	Number Recorded
Minor incidents – non-reportable (specified) –	0
Major Injuries (specified) -	0
Accidents resulting in > 7 days absence from work	0
Reportable disease	0
Reportable dangerous occurrence	0
Near Miss	0
Total incidents recorded	0

Year 2009; -

Incident Type	Number Recorded
Minor incidents – non-reportable (specified) –	0
Major Injuries (specified) -	0
Accidents resulting in > 7 days absence from work	0
Reportable disease	0
Reportable dangerous occurrence	0
Near Miss	0
Total incidents recorded	0

Year 2010; -

Incident Type	Number Recorded
Minor incidents – non-reportable (specified) –	0
Major Injuries (specified) -	0
Accidents resulting in > 7 days absence from work	0
Reportable disease	0

Reportable dangerous occurrence	0
Near Miss	0
Total incidents recorded	0

Year 2011; -

Incident Type	Number Recorded
Minor incidents – non-reportable (specified) –	0
Major Injuries (specified) -	0
Accidents resulting in > 7 days absence from work	0
Reportable disease	0
Reportable dangerous occurrence	0
Near Miss	0
Total incidents recorded	0

Year 2012; -

Incident Type	Number Recorded
Minor incidents – non-reportable (specified)	0
Major Injuries (specified) -	0
Accidents resulting in > 7 days absence from work	0
Reportable disease	0
Reportable dangerous occurrence	0
Near Miss	0
Total incidents recorded	0

Year 2013; -

Incident Type	Number Recorded
---------------	-----------------

Minor incidents – non-reportable (specified) –	0
Major Injuries (specified) -	0
Accidents resulting in > 7 days absence from work	0
Reportable disease	0
Reportable dangerous occurrence	0
Near Miss	0
Total incidents recorded	0

Year 2014; -

Incident Type	Number Recorded
Minor incidents – non-reportable (specified) –	0
Major Injuries (specified) -	0
Accidents resulting in > 7 days absence from work	0
Reportable disease	0
Reportable dangerous occurrence	0
Near Miss	0
Total incidents recorded	0

Year 2015; -

Incident Type	Number Recorded
Minor incidents – non-reportable (specified) –	0
Major Injuries (specified) -	0
Accidents resulting in > 7 days absence from work	0
Reportable disease	0
Reportable dangerous occurrence	0

Near Miss	0
Total incidents recorded	0

Year 2016; -

Incident Type	Number Recorded
Minor incidents – non-reportable (specified) – metal swarf in eye – cleaned with eye wash solution on site – Engineer had removed safety goggles whilst working – TBT and further training given - monitored and no further action required	1
Major Injuries (specified) -	0
Accidents resulting in > 7 days absence from work	0
Reportable disease	0
Reportable dangerous occurrence	0
Near Miss	0
Total incidents recorded	1

Year 2017; -

Incident Type	Number Recorded
Minor incidents – non-reportable (specified) –	0
Major Injuries (specified) -	0
Accidents resulting in > 7 days absence from work	0
Reportable disease	0
Reportable dangerous occurrence	0
Near Miss	0
Total incidents recorded	0

Year 2018 –

Incident Type	Number Recorded
Minor incidents – non-reportable (specified) –	0
Major Injuries (specified) -	0
Accidents resulting in > 7 days absence from work	0
Reportable disease	0
Reportable dangerous occurrence	0
Near Miss	0
Total incidents recorded	0

Year 2019 –

Incident Type	Number Recorded
Minor incidents – non-reportable (specified) –	0
Major Injuries (specified) -	0
Accidents resulting in > 7 days absence from work	0
Reportable disease	0
Reportable dangerous occurrence	0
Near Miss	0
Total incidents recorded	0

Year 2020 -

Incident Type	Number Recorded
Minor incidents – non-reportable (specified) –	0
Major Injuries (specified) -	0

Accidents resulting in > 7 days absence from work	0
Reportable disease	0
Reportable dangerous occurrence	0
Near Miss	0
Total incidents recorded	0

Year 2021 – (correct as of 1st September 2021)

Incident Type	Number Recorded
Minor incidents – non-reportable (specified) –	0
Major Injuries (specified) -	0
Accidents resulting in > 7 days absence from work	0
Reportable disease	0
Reportable dangerous occurrence	0
Near Miss	0
Total incidents recorded	0
